

Welcome Home

Ellen Keane – Paralympic Gold Medallist

Ellen has had a superb Paralympic Games with Personal Bests in both of her events and winning the Gold Medal in the 100m Breaststroke.

Let's give her the welcome home she deserves.

Ellen, escorted by An Garda Síochána and the Irish Coast Guard, will be doing a short motorcade tour around Clontarf on Wednesday 8th September at 7pm. See route below.

It's time to don the national colours, hang the bunting and come out and make some noise for our returning hero.

Covid hasn't gone away so we would ask people to remember to socially distance.

We would also like to remind people that the roadway and cycleway will remain open so normal rules regarding road safety will apply.

Clontarf Residents' Association would like to thank Dublin City Council for supporting Ellen's homecoming event and for the bunting and posters decorating the route.
