

APPOINTMENT ONLY

In order to adhere to HSE guidelines for the safety of both staff and customers the following measures are in place for Summer 2021.

- 1 First and foremost, customers are encouraged to purchase your uniform requirements online at **lynchschoollunifforms.com** if you have purchased previously and know your child's measurements.

From 1st of June till the 21st of July 2021 we are accepting walk-ins but **priority will be given to customers with appointments.**

- 2 Due to social distancing guidelines, in-store, we will facilitate each customer with a 30 minute appointment per family of up to three, which will be **appointment only from July 21st till August 31st**. We politely request that only ONE guardian accompany their children for fittings. Appointments can be made through our '**Booking & Reservation**' app found on the **lynchschoollunifforms.com** home page. We will do our best to facilitate your request.

- 3 Online orders are processed within 24 hours and dispatched with An Post for delivery within 1-2 days.

Click & Collect online orders (strictly same day/24H collection) can be collected at our dedicated pick up & exchange point to the right of the main door (blue gate) where a staff member will dispatch/exchange items previously purchased online if alternative sizes are required.

NOTE: You will be notified by text when your C&C order is ready for collection along with a reference number.

- 4 **Opening Hours: Monday-Saturday 09:30 to 17:30.**
- 5 For updated, factual information about COVID-19 visit: **www.hse.ie**
