

The Ripple Effect is a group which runs activities for children and teens with Aspergers, ADHD, Dyspraxia or simply those who for whatever reason find mainstream activities daunting. We are running the following Easter camps.

Our camps provide a space where your teen can be themselves and enjoy the experience of a camp and have fun in an understanding environment.

If you would like more information on the group, these camps or our weekly activities your can check out our website <https://rippleeffect.company.site> or contact Anne on 086 6038163
